The Norfolk Business College.

[Norfolk Virginian.]

FEW of the people of Norfolk realize the extent of the Norfolk Business College as an educational institution. That we have a school in our midst that is equal to any school of the kind on the continent, is just beginning to dawn on our citizens.

More than two hundred young ladies and gentlemen have attended this college the past year, and students are now coming in from all quarters, bringing into our city young men and women of the best classes, in search of a practical education.

All the latest and best methods have been adopted, and no pains nor money have been spared to place this college in the foremost rank as a business and training school.

Banks and offices have been erected. College currency and all the accessories of the most modern colleges are employed to impress its students with what they learn.

Its graduates are in constant demand as clerks, bookkeepers and shorthand writers, and a diploma from this school is worth a great deal to a young man in search of a position. Mr. I. W. Patton, the principal is an able and accomplished gentleman, and the institution over which he presides is worthy of the greatest confidence. The Norfolk Business College is located at No. 38 Bank Street, and is an interesting place to visit.

CHATAIGNE'S DIRECTORY

—OF THE—

STREETS, HOUSES AND OCCUPANTS

—OF THE—

CITY OF NORFOLK FOR 1891.

Arranged Alphabetically and Numerically, with Occupants Name after each House

NOTE.—Blanks after numbers signify that such are vacant. Dash (—) before the names denote the house should have a number between the one preceding and following it.

There are hundreds of duplicate and incorrectly numbered houses in Norfolk and it is hoped the Council will pass an Act requiring their re-numbering before the next issue of the Directory.

Valentine's Meat Juice,

Recommended by the Medical Profession of the United States, Great Britain and Germany, and by the Physicians of the Insane, Inebriate, and General Hospitals

AWARD.

International Exhibition, Philadelphia, 1876.

"For excellence of its method of preparation, whereby it more nearly represents fresh meat than any other extract of meat, its freedom from disagreeable taste, its fitness for immediate absorption and the perfection in which it retains its good qualities in warm weather.

SEA-SICKNESS.

I have great pleasure in stating that Valentine's Meat Juice has been in a great number of cases, the first thing that has been retained on the stomach in sea-sickness.

SIBTHROPE BRADLEY, M. D., Surgeon Cunard R. M. S. Parthia.

REPORTS FROM AMERICAN AND RED STAR LINE.

I gave the Meat Juice in five cases of sea-sickness, and in each instance it afforded great relief, giving nutrition to the system and tone to the stomach. The Meat Juice offers the best mode of supplying strength to the depressed vitality in sea-sickness of anything yet suggested. I can confidently say that its use on your steamers will meet the approval of their passengers, as it has met my hearty commendation.

C. M. DRAKE, M. D., Steamship Switzerland

I have administered Valentine's Meat Juice in all stages of sea-sickness, and find that after the second day of nausea patients retain in their debilitated stomachs this food more readily, perhaps, than any other.
